

4th Grade Learning Board

	Activity 1	Activity 2	Activity 3	Activity 4	Activity 5
Reading	**Theme Nearpod with guided instruction www.nearpod.com Code: AMXES	Theme PowerPoint in Teams *Read each passage carefully and determine the best theme for each. Remember, read all the details carefully ☺	Make a poster about theme. Your poster must include: <ul style="list-style-type: none"> • The definition of theme • 3-4 examples of theme. • A book/text that you have read and the theme of that text. • Make it neat and colorful. 	Go to Powertest and complete: ALES Weekly Learning Board Fiction 3	TV Time! Turn on the Captions during one TV show today. Read the captions and watch for 30 minutes. *Send Mrs. Haines a message in Teams using the chat feature, telling her how you felt about this assignment. Was it easy? Did you like reading the captions?
Writing	Prompt: Why do you think we dream? Give your reasons and added details in 5-8 sentences.	Prompt: What do you think makes a good friend? Give at least 5-8 good reasons and identify a good friend of your own. 5-8 sentences for this prompt ☺	Prompt: Write about something you can do, that most of your friends cannot do. Like a special talent. Complete in 5-8 sentences.	Watched a good show or YouTube video? Write a recommendation to your classmates. Tell why you recommend it and if there is something you would change. Complete in 5-8 sentence. Be sure to include the name of the show or video.	Prompt: Imagine that you are stuck inside a TV. What will you do? What shows would you visit? Complete in 5-8 sentences.
Math	**Nearpod with guided instruction Points, Lines, and Rays www.nearpod.com Code: YOMRC	Use items from around your house to create examples of lines (intersecting, parallel, and perpendicular), rays, points, and line segments. For example, you could use noodles to show parallel lines and a rock to show a point. Add pictures to our weekly Padlet so your classmates can see.	IXL W4 and W5 Third Grade IXL CC5 and CC7	Points, Lines, and Rays Microsoft Forms in Teams	Go outside and look at the front of your house. Draw a picture of your house. Try and label the lines, points, and rays you see. Label at least 5 total. Click Here for EL HELP
Science/ Social Studies	**VS 6 New Nation Nearpod with guided instruction www.nearpod.com Code: JSDNQ	VS6 New Nation Race Through History: Microsoft Forms	Create a picture that represents the purpose of the Declaration of Rights and VA Statute for Religious Freedom. Then write two sentences for each (who wrote it and what did it state).	**Log onto BrainPop from your clever and search "Food Chain". Watch the video and then take the quiz. Think about your own backyard. Draw a picture of a food chain that is 5-6 animals/plants from your backyard.	Pick an animal from your Food Chain and complete the Home Sweet Home Poster. You can print the poster or look at it and then create your own! Make it colorful, neat and use complete sentences. https://bit.ly/ALESHomeSweetHome

Weekly Challenge

"Hats off" to our first responders and medical professionals! Take a picture wearing your favorite hat and post it on Twitter and/or Facebook using #AshlandSOAR! Together We SOAR Higher!
