

1st Grade Learning Choice Board

	Choice 1	Choice 2	Choice 3	Choice 4	Choice 5
Reading <u>Mini Lesson</u> (bit.ly/aes1reading)	*** Listen to the story Once Upon A Time...Online (bit.ly/aes1reading) and make a personal connection. Use the Making Connections paper or a blank piece of paper to record your response.	Go on a reading treasure hunt in your home and find a book you have never read. Try to make a personal connection to the story and share it with your family.	Find a recipe to read with your family. Talk about why it is important to follow the directions when you cook (if you can, try to make it with your family!)	Listen to the story Enemy Pie Try and make a text to self, text to text, or text to world connection.	Download the Istation app . Enter ashland.pwcs.va into the Domain box. Login using your 6 digit student ID number as your username & password. Select Reading with ISIP and take your April assessment.
Drop Everything and Read - Each and Every Day! 😊 Other Resources: Reading Specialists School Counselors Gifted EL					
Writing <u>Mini Lesson</u> (bit.ly/aes1writing)	Make a picture of something that makes you happy and write at least three reasons why it makes you happy. Click here for EL Help or visit bit.ly/1stgradeEL (case sensitive)	*** Listen to the story, The Day the Crayons Quit (bit.ly/aes1writing) Use the My Favorite Color paper or a blank piece of paper to write your favorite color and three reasons why you like it best.	Would you rather wear a winter coat or a bathing suit? Why?	Play a game on Spelling City with your previous words (Lists 1-21). Spelling City is also linked at bit.ly/1stsymboloo	Download and complete the Crayon Project or Free Write!
Math <u>Mini Lesson</u> (bit.ly/aes1math)	Practice math on your assigned level on Dreambox for 15 minutes. Dreambox is also linked at bit.ly/1stsymboloo	Adding combinations to 10 (Youtube: What Numbers Make 10 - Jack Hartmann) (Youtube: Adding to Ten - Ways to Make Ten - Mr. R's Songs)	Play Marble Math Addition on ABCya! ABCya! Math is also linked at bit.ly/1stsymboloo	***On a blank piece of paper, solve these addition equations using 3 different addition strategies from the Mini Lesson (one for each equation). Show which strategy you used. $3 + 7 = \underline{\quad}$ $8 + 2 = \underline{\quad}$ $4 + 6 = \underline{\quad}$	Using 2 different colored crayons or markers, draw 4 different combinations of 10. Write the number equations to match each one. For example: 0000000000 $5 + 5 = 10$
Science <u>Mini Lesson</u> (bit.ly/aes1science)	Watch the videos "Seasons" and "Spring" on BrainPop Jr. then take the Easy Quizzes. BrainPop Jr. is also linked at bit.ly/1stsymboloo	***Read the article "The Sun" on PebbleGo and complete the Share What You Know page (also found under "Activities" on article page) username: ashland password: booksoar PebbleGo is also linked at bit.ly/1stsymboloo	Put a cup of ice in the shade. Put another cup of ice in the sun. Write what you predict will happen. Observe what happens and record your observations. Write why that happened.	Log into Epic! (Your teacher will send you your class code). Click your name and read Let's Explore the Sun (it will be in your "mailbox" at the top). Tell a family member 3 things you learned. Epic! is also linked at bit.ly/1stsymboloo	Watch "Day and Night" (bit.ly/aes1science) and take the video quiz at the end by saying what words go in blanks.
