	Activity 1	Activity 2	Activity 3	Activity 4	Activity 5
Reading	**Story Elements Nearpod with guided instruction www.nearpod.com Code: IYOFC	Color By Story Elements PowerPoint in Teams	Think about a story that you know really well like The Three Little Pigs. See if you can write out the setting, characters, conflict and resolution. Type your response in the chat feature on Teams.	Go to Powertest and complete: ALES Weekly Learning Board Fiction 5	Find a board game to play with your family. Read the directions out loud. Be sure to read the way you speak. Then, try reading them in a different accent, maybe you want to be country or English.
Writing	Prompt 1: Imagine that you wake up and there is a time machine in your bedroom. Where would you travel back to and why? Explain in 5-7 complete sentences.	Prompt 2: Name one thing that you could not live without. Why is it so important to you? Explain your reasons in 5-7 complete sentences. EL HELP	Prompt 3: Pretend that you are Peter Pan. What would you most like to do or see...fly, swim with mermaids, fight Captain Hook? Explain your reasons in 5-7 complete sentences.	Prompt 4: You are going camping and you have to decide on three things to bring with you (besides food, tent). What will you bring and why? How will it make camping easier? Explain your reasons in 6-8 sentences.	Prompt 5: If you could meet one famous person in history, who would it be? Why would you want to meet them? What are three questions you would ask them? Write your answers in 6-8 sentences.
Math	**Nearpod with guided instruction Area and Perimeter www.nearpod.com Code: QOZED	Create a rectangle out of Legos. Measure each side and find the area and perimeter of your Lego rectangle. Send me a picture if you would like ☺	IXL BB 2,3,4,9,12,13,14,15	Area and Perimeter Microsoft Forms in Teams	Peter built a fence around his garden that was 23 inches long and 12 inches wide. What is the area and perimeter of his fence? Send your answer to me in the chat feature on Teams.
Science/ Social Studies	**VS 8 Reconstruction Nearpod with guided instruction www.nearpod.com Code: MTKDW	VS8 Reconstruction Race Through History: Microsoft Forms	Create a symbol/picture to represent the importance of Harry F. Byrd, Arthur Ashe, and Oliver W. Hill. Write a sentence for each that describes why you chose that picture/symbol.	Create a poster to represent the three scientists that contributed to electricity. You can draw a picture of each scientist or add a picture from online. Write 2-3 facts for each person. The three scientists are: Michael Faraday, Benjamin Franklin and Thomas Edison.	Click the link to do the electricity simulation. https://bit.ly/ALESconductors Questions to check your understanding: *What are three examples of conductors? *What are three examples of insulators?

Weekly Challenge 

Let's celebrate our love of words. Take a picture of you dressed up as your favorite vocabulary word. Send your pictures to your teacher, Dr. Jacks jacksam@pwcs.edu, or post it on Twitter and/or Facebook using #AshlandSOAR! Together We SOAR Higher!
